The Olave Baden-Powell Society

The Olave Baden Powell Society is an international society of nearly 1000 members across 55 countries. It was established to financially support the World Association of Girl Guides and Girl Scouts with the goal of enabling girls and young women to develop their fullest potential as responsible citizens of the world. OB-PS members are committed to supporting over 10 million girls and young women from all over the world as they strive to build a better future.

Princess Benedikte Award

We are fortunate that many of our members will make or have made generous donations to the World Association of Girl Guides and Girl Scouts.

The Princess Benedikte Award recognises those who donate a cumulative total of at least £25,000 to WAGGGS or any of its entities.

Recognition is given at a special ceremony, usually an Annual event with the presentation of a special pin and certificate by HRH Princess Benedikte.

We are delighted to announce that 17 of our members have received the Princess Benedikte Award since its establishment in 2006.

Centenary Supporter

In 2009 we introduced a new award designed to coincide with the Centenary Celebrations of the World Association of Girl Guides and Girl Scouts.

Members are invited to become a Centenary Supporter by making a further donation of £4,000 in addition to the OB-PS membership donation. This donation can be made as one donation or over a four year period. This award will only be available from 1 January 2009 to 31st December 2012.

Recognition will be given at an Annual Event, when Centenary Supporters will be presented with a certificate and a centenary pin by HRH Princess Benedikte.

“Girl Guiding and Girl Scouting offer unparalleled opportunities to girls and young women throughout the world and were instrumental in shaping who I am today. As members of OB-PS, we help ensure that the girls and young women of the world will be well-prepared to be the voice and leaders of our future.

Being a member of OB-PS allows me to give back and continue the circle so future girls can receive the benefits of Girl Guiding and Girl Scouting that so helped me”
