Registered as a Charity (No. 306125) in England and Wales

World Association of Girl Guides and Girl Scouts

. . . . .to join key individuals from around the world, in supporting the development of girls and young women. By making a financial commitment to the Olave Baden-Powell Society, you will be helping the World Association of Girl Guides and Girl Scouts to expand their work with girls in more than 140 countries.

HRH Princess Benedikte of Denmark, Patron of the Olave Baden-Powell Society, will welcome you to the Society, and invite you and your spouse or a friend to attend all future events of the Society.

These events are held annually in different parts of the world, and each host committee tries to show you the best of their city:

- a special occasion when HRH Princess Benedikte officially recognizes new members
- a view of how Girl Guiding/Girl Scouting operates in the host country
- the traditional warmth and friendship of a Girl Guiding/Girl Scouting event
- quality accommodation, usually in the heart of the city
- planned sightseeing, allowing you to get a taste of the location

And, you will have an update of the work being done by the World Association of Girl Guides and Girl Scouts using funds raised through the Olave Baden-Powell Society – a glimpse of the ‘guaranteed return’ that investment brings.
